

Key Stage 2

Food chains

Cut out the pictures from the other page.
Then, place them in the right order to complete these two food chains.

Key Stage 2

Food chains

Using a pair of safety scissors, carefully cut around the dotted lines.
You might want to ask a grown-up to help.

Barn owl

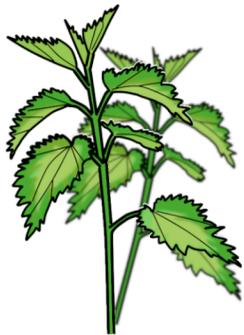

Sparrowhawk

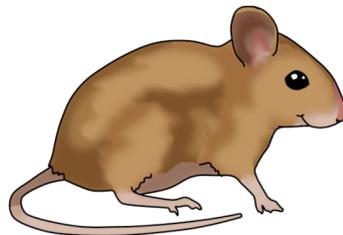

Barley

Caterpillar

Nettle

Mouse

Blackbird

Done? Try making your own food chains on another piece of paper (or print out the first page again and draw in the empty boxes!)

What could the **producers**, **prey**, and **predators** be?
